

# Did Muhammad promote Paedophilia?

"A man can have sexual pleasure from a child as young as a baby. However, he should not \*\*\*,"  
Ayatollah Khomeini <http://www.homa.org/Details.asp?ContentID=2137352826&TOCID=2083225445> (Yes, I censored this one. JB)

I have heard many times that Islam is a religion a religion of peace. I have also heard that Islam is a religion based on strong morals etc. I guess my reaction is to ask a simple question. Can you define "moral?"

In reality, Islam is a hostile invading force. The west is not by any means a "Christian" society. However...The west is definitely a society that has been massively influenced by Christianity, and we should make no apology for that. To understand the implications of this invasion, we must know what we are being invaded by.

Sex with very young minors is integral to Islam. Muhammad claimed that he was the ultimate example of right and wrong. Many today believe this claim unquestionably. For example when Iran's clerics overthrew the Shaw and established an Islamic state... the age of marriage for girls dropped first to 13, then to 9. You'll understand why when you read the story of Aisha below.

Islam in the west is very different from the East. i.e. Islam when it is a minority is very different from Islam when it rules!

Let's divide this study into two parts:

- 1) Islam and sex relevant to young boys.
- 2) Islam and sex relevant to young girls.

## Muhammad's teaching relevant to boys.

This goes far beyond the recent scandals within Catholicism. The reason is that this is sanctioned. Homosexuality is condemned within Islam. Now we pose an interesting dilemma. Define homosexuality! Apparently boys and men are viewed differently.

There is a dilemma here when we start trying to get at the true teaching of the Koran. What does it say? That in paradise, you will have an unlimited supply of boys to satisfy you!

I wish that I were making this up. I feel compelled to apologize for the disturbing nature of the image. Unfortunately the worst thing would be to hide from it.

Most of us have been muttering for some time about the image of being surrounded by the perpetual virgins in the Islamic view of paradise. By the same token, most in the west have not picked up on the teaching that you'll also be given in unlimited supply of boys if you make it to the Muslim paradise.

Here are three translations of the same verse from the Koran. I am afraid to only give one. If I quote either of the two accurate translations you'll think I am picking and choosing. (Pickthal, a more western friendly version, softens it.)

052.024

**YUSUFALI:** Round about them will serve, (devoted) to them, **young male servants (handsome) as Pearls well-guarded.**

**PICKTHAL:** And there go round, waiting on them menservants of their own, as they were hidden pearls.

**SHAKIR:** And round them shall go **boys of theirs as if they were hidden pearls.**

**This is right after the promise of wide lovely eyed virgins in verse 20!**

52.020 Reclining on ranged couches. And we wed them unto fair ones with wide, lovely eyes.

**The bottom line is that Muhammad liked them young. He would have (and should have!) done hard time in a federal prison if he had lived under our system.** Most in the west do not realize what this invading force really means!

By any reasonable modern definition he was a pedophile. There is no way to hide from that fact. Most Muslims respond by saying you must take all this in light of the fact he lived in the seventh century.

My reaction is to note that I am well aware of this. Jesus lived in the first century. There is nothing in Jesus' life I feel compelled to apologize for! I am very willing to follow Jesus' example from the first century. I am unwilling to go back to the seventh century pagan standards of Muhammad!

In the 76<sup>th</sup> Surah Under the heading of "Time and Man," Muhammad elaborates at length the imagery of his view of paradise.

076.019 There wait on them **immortal youths, whom, when thou seest, thou wouldst take for scattered pearls.**

076.020 When thou seest, thou wilt see there bliss and high estate.

076.021 Their raiment will be fine green silk and gold embroidery. Bracelets of silver will they wear. Their Lord will slake their thirst with a pure drink.

076.022 (And it will be said unto them): Lo! **this is a reward for you.** Your endeavour (upon earth) hath found acceptance.

076.023 Lo! We, even We, have revealed unto thee the Qur'an, a revelation;

076.024 So submit patiently to thy Lord's command, and obey not of them any guilty one or disbeliever.

Before commenting note that I have used the softened translation of verse 19. Compare for yourself.

076.019

**YUSUFALI:** And round about them will (serve) youths of perpetual (freshness): If thou seest them, thou wouldst think them scattered Pearls.

**PICKTHAL:** There wait on them immortal youths, whom, when thou seest, thou wouldst take for scattered pearls.

**SHAKIR:** And round about them shall go youths never altering in age; when you see them you will think them to be scattered pearls.

Paradise amounts to being encircled by perpetually young and fresh boys as your reward for being faithful??? I confess that I am reminded of John's assessment of any false teacher and why they would be accepted in the first place.

I John 4

5. They are from the world; therefore they speak {as} from the world, and the world listens to them.

6. We are from God; he who knows God listens to us; he who is not from God does not listen to us. By this we know the spirit of truth and the spirit of error.

This entire view of paradise is a carnal perverted vision of a group of men that went over the Middle East raping and killing while claiming they were doing it for the sake of righteousness. This is the same mindset that today straps bombs on boys and has them blowing themselves up in the name of a twisted concept of god.

Looking again at Surah 52 above, the promise was first for virgin girls then boys. On the other hand comparing Surah 56 below in the gardens of delight, it is first immortal boys then virgin girls.

**So which is the greater promise in Islam? Boys or virgin girls?**

**For the record, (because it is so offensive) I have completely ignored a series of Hadith describing the Muhammad's preoccupation with sucking the tongues of young boys (even babies).**

056.012 In gardens of delight;

056.013 A multitude of those of old  
 056.014 And a few of those of later time.  
 056.015 On lined couches,  
 056.016 Reclining therein face to face.  
 056.017 There wait on them immortal youths  
 056.018 With bowls and ewers and a cup from a pure spring  
 056.019 Wherefrom they get no aching of the head nor any madness,  
 056.020 And fruit that they prefer  
 056.021 And flesh of fowls that they desire.  
 056.022 And (there are) fair ones with wide, lovely eyes,  
 056.023 Like unto hidden pearls,  
 056.024 Reward for what they used to do.  
 056.025 There hear they no vain speaking nor recrimination  
 056.026 (Naught) but the saying: Peace, (and again) Peace.  
 Western Islam today hides from the conservative Islam of the east. Judge for yourself, which is the true Islam founded by Muhammad? It doesn't end here. . . Let's continue!

## Muhammad's teaching (and behaviour) Relevant to young girls. . .

The obvious place to start, is with Aisha. Muhammad was approximately age 55. She married at Muhammad when she was approximately age 6. Muhammad had sex with her at age 9. She was 18-19 when Muhammad died. I feel compelled to explain my use of the term "approximate." The Hadith is not consistent on this. How could it be? It takes legitimate inspiration for multiple versions of events to be recorded without flaw. The Hadith in its various forms is anything but flawless. In this case it only varies by a year either way.

*Sahih Muslim Book 008, Number 3311*

'A'isha (Allah be pleased with her) reported that Allah's Apostle (may peace be upon him) married her when she was seven years old, and he was taken to

his house as a bride when she was nine, and her dolls were with her; and when he (the Holy Prophet) died she was eighteen years old.

Note that this is said about Aisha. However Aisha also reported these events herself.

*"The Messenger of God married me in Shawwal in the tenth year after of his prophethood, three years before the Migration as I was six years old. I was nine years old when he consummated the marriage with me. Tabaqat, 8:58; Abu Dawud, Nikah 34; Ansab al-ashraf, 1:410; Usd al-ghaba, 5:501*

Sahih Bukhari Volume 5, Book 58, Number 236:

Narrated Hisham's father:

Khadija died three years before the Prophet departed to Medina. He stayed in Medina for two years or so and then he married 'Aisha. At this time she was a girl of six years of age, and he consummated that marriage when she was nine years old.

**Today's western Muslims are not as proud of this entire story as they once were (for obvious reasons!)** Some have even started trying to rewrite their holy books and play word games with the age

of Aisha when the consummation took place. Regardless of the age, she was undeniably a little girl. Note this description. She was still playing with dolls when she became a 50 year old man's wife.

Muhammad's preference for young girls was very vocal. He ridiculed one of his followers for marrying a widow when he could have had a **YOUNG** virgin.

*Volume 7, Book 62, Number 17:* (Number 16 also preserves this story, I chose the shorter, "cleaner" version JB)

Narrated Jabir bin 'Abdullah:

When I got married, Allah's Apostle said to me, "What type of lady have you married?" I replied, "I have married a matron' He said, "Why, don't you have a liking for the virgins and for fondling them?" Jabir also said: Allah's Apostle said, "Why didn't you marry a young girl so that you might play with her and she with you?"

**Let me note further that these quotes are not from some Christian... these are the proud preservation of "moral" behavior for all the world to emulate!**

Sahih Bukhari Volume 1, Book 6, Number 298:  
Narrated 'Aisha:

The Prophet and I used to take a bath from a single pot . . .

This is as far as I can go in good conscience. The account gets vile from here. A 50 plus year old man taking a bath with his nine plus year old wife is described by the wife in later years (after he has died.) She describes the two fondling each other somewhat graphically. I have given you the references you can look it up. Muhammad is a well documented pedophile from the seventh century.

None of these accounts are in the least bit ashamed. These writers are preserving the Hadith so that history would remember how we were to behave. Each writer conceived of us following what they considered the perfect example.

Male Muslims are looking forward to a perpetual sexual fantasy.

055.071 Which is it, of the favours of your Lord, that ye deny?

055.072 Fair ones, close-guarded in pavilions

055.073 Which is it, of the favours of your Lord, that ye deny? -

055.074 Whom neither man nor jinni will have touched before them

In this world view obviously the idea of love, decency, and commitment are left way and in the cold. At least the Christian view of love, decency, and commitment is left out. But then. . .

Perhaps I should ask. . .  
How would you define decency?
